Insurance'

(a) Liability. Lessee, at Lessee's sole cost and expense, shall maintain and keep in effect throughout the Term, and any extensions or renewals thereof, insurance against liability for bodily injury (including death) or property damage in or about the Premises, under a policy of comprehensive general public liability insurance, with such limits as to each as may be reasonably required by Landlord from time to time but not less than \$1,000,000 combined single limit for bodily injury (including death) and \$1,000,000 for property damage. The policies of comprehensive general public liability insurance shall name Lessor as additional named insured. Each such policy shall provide that it shall not be cancelable without at least thirty (30) days prior written notice to Lessor and to any mortgagee named in an endorsement thereto and shall be issued by an insurer and in a form satisfactory to Lessor. On or before the Commencement Date, a certificate of insurance shall be delivered to Landlord. If Tenant shall fail, refuse or neglect to obtain or to maintain any insurance that it is required to provide or to furnish Lessor with satisfactory evidence of coverage on any such policy, Lessor shall have the right to purchase such insurance. Any payments made by Lessor with respect to such insurance shall be recoverable by Lessor from Lessee as an additional charge promptly upon Tenant being billed therefore.

(b) Waiver of Subrogation. Each of the parties hereto hereby releases the other, to the extent of the releasing party's insurance coverage, from any and all liability for any loss or damage covered by such insurance upon the property of such party even if such loss or damage shall be brought about by the fault or negligence of the other party, its agents or employees; provided, however, that this release shall be effective only with respect to loss or damage occurring during such time as the appropriate policy of insurance shall contain a clause to the effect that this release shall not affect said policy or the right of the insured to recover thereunder. If any policy does not permit such a waiver, and if the party to benefit therefrom requests that such a waiver be obtained, the other party agrees to obtain an endorsement to its insurance policies permitting such waiver of subrogation if it is available. If any additional premium is charged for such waiver, the party benefitting therefrom agrees to pay the amount of such additional premium promptly upon being billed therefor.

(c) Tenant's Property. Tenant, at Tenant's sole cost and expense, shall maintain and keep in effect throughout the Term, and any extensions or renewals thereof, full replacement cost insurance for Tenant's personal property with a commercially reasonable deductible.
